INTRODUCTION

Congratulations on your purchase of the ex•tend•it Component Audio to HDMI Adapter. Your complete satisfaction is very important to us.

Gefen's line of HDMI switches, extenders, splitters and adapters are designed to make your A/V equipment use more comfortable, more productive and less expensive.

The HDMI Switcher allow access to multiple HDMI devices, using a single HDMI display while the HDTV extender product line can extend HD video signal up to 1640 feet (500 meters).

The ex•tend•it line offers solutions for noise, space and security concerns, data center control, information distribution, conference room presentation, school and corporate training environments.

Our Commitment

Gefen will always offer the finest quality product at the best possible price. Included in that price is a lifetime of support from a team of outstanding engineers.

Introduction

The Component Audio to HDMI™ Adapter is a unique device that allows older analog devices to be integrated seamlessly into the modern home theater. This adapter connects component video home theater devices to HDMI™ compliant digital monitors. This adapter also takes analog L+R audio and encodes it onto the HDMI signal for the full HDMI video and audio effect. With the Component Audio to HDMI Adapter legacy home theater devices and computer systems can be easily connected any HDMI display for the full digital video and audio experience.

How It Works

Simply connect the supplied Component cable to the input side of the Component Audio to HDMI™ Adapter. Then connect the RCA audio cables to the audio inputs of the Component Audio to HDMI Adapter. Then connect the HDMI display or projector to the HDMI output of the Component Audio to HDMI Adapter. The adapter generates the compatible analog to digital conversion signals for video and audio as well encoding the audio onto the HDMI to make the connection between the analog inputs and the digital output work.

FEATURES

Features

- Allows you to connect YPbPr HDTV sources to an HDMI™ display
- Encodes analog audio onto the video signal for HDMI™ video and audio
- Supports HDTV resolution up to 1080p
- HDMI™ compliant

Includes:

- (1) Component Audio to HDMI Adapter
- (1) 5V Power Supply
- (1) 6 ft RCA L+R Audio Cable
- (1) 6 ft 3 RCA Cable
- (1) Users Manual

CONNECTING AND OPERATING THE COMPONENT TO HDMI ADAPTER

How to Connect the Component Audio to HDMI Adapter

- 1- Connect your HDMI compliant monitor to the HDMI female connector at the output side of the Component Audio to HDMI Adapter.
- 2- Connect the Component cable between Component Audio to HDMI Adapter and the Component output of your device.
- 3- Connect the RCA L+R Audio Cable between the audio inputs on the Component Audio to HDMI Adapter and the Audio output on your device.
- 4- Connect the 5V power supply.

SPECIFICATIONS

HDMI Video Amplifier Bandwidth.....	1.65 Gbps
Video Amplifier Bandwidth.....	350 Mhz
Input Video Signal.....	1.2 volts p-p
Input DDC Signal.....	5 volts p-p (TTL)
HDMI Connector.....	type A (19 pin) female
Video In.....	3 RCA component
Audio Connector.....	analog RCA L+R
Power Consumption.....	10 watts (max)
Power Supply.....	5V DC
Dimensions.....	4"W x 1"H x 4"D
Shipping Weight.....	2 lbs.

WARRANTY

Gefen Inc. warrants the equipment it manufactures to be free from defects in material and workmanship.

If equipment fails because of such defects and Gefen Inc. is notified within two (2) year from the date of shipment, Gefen Inc. will, at its option, repair or replace the equipment, provided that the equipment has not been subjected to mechanical, electrical, or other abuse or modifications.

Equipment that fails under conditions other than those covered will be repaired at the current price of parts and labor in effect at the time of repair. Such repairs are warranted for ninety (90) days from the day of reshipment to the Buyer.

This warranty is in lieu of all other warranties expressed or implied, including without limitation, any implied warranty or merchantability or fitness for any particular purpose, all of which are expressly disclaimed.

1. Proof of sale may be required in order to claim warranty.
2. Customers outside the US are responsible for shipping charges to and from Gefen.
3. Copper cables are limited to a 30 day warranty and cable must be free from any scratches, markings, and neatly coiled.

The information in this manual has been carefully checked and is believed to be accurate. However, Gefen Inc. assumes no responsibility for any inaccuracies that may be contained in this manual. In no event will Gefen Inc., be liable for direct, indirect, special, incidental, or consequential damages resulting from any defect or omission in this manual, even if advised of the possibility of such damages. The technical information contained herein regarding Component Audio to HDMI Adapter features and specifications is subject to change without notice.
